The Five Dysfunctions of a Team

“Lencioni’s approach allowed our team to truly understand our strengths, and to develop a plan to address the areas where we can be more effective as a team. The process is more than just an assessment tool, it’s a rare opportunity for teams to reflect and grow.”

OF A COHESIVE
TEAM®

From talented **INDIVIDUALS**

The Five Behaviors of a Cohesive Team® Model

The single most untapped competitive advantage is teamwork.

To gain this advantage, teams must:

► Trust One Another

When team members are genuinely transparent and honest with one another, they are able to build vulnerability-based trust.

► Engage in Conflict Around Ideas

When there is trust, team members are able to engage in unfiltered, constructive debate of ideas.

► Commit to Decisions

When team members are able to offer opinions and debate ideas, they will be more likely to commit to decisions.

► Hold One Another Accountable

When everyone is committed to a clear plan of action, they will be more willing to hold one another accountable.

► Focus on Achieving Collective Results

The ultimate goal of building greater trust, conflict, commitment, and accountability is one thing: the achievement of results.

From talented INDIVIDUALS to extraordinary TEAMS

With The Five Behaviors of a Cohesive Team®, individuals gain insight about their team's strengths and challenges and discover how effective communication and objective feedback transforms team culture.
